All compositions by Carla Bley

Life goes on.  
On and on.  
And then one day...

(sung to the melody of "And The Band Played On")

Carla was hit by a bucket of shit  
and the band played on.  
She opened the door and was hit by some more  
and the band played on.  
Could this be the ending or just the beginning  
of life without music or fun?  
But wonderful stuff had just barely begun  
and the band played on.
